

Violation Detonation

Jersey

You can see it in his eyes
In the way he walks and the way he talks
The kids try and break him, his father violates him
But he won't wave that S.O.S. white flagThe anger grips his fists
You can see it in his paved face look, fall no way
Violation detonation, fall no way
Violation detonation, fall no way
Violation detonation, fall no way
Violation detonation, fall no way
Violation detonationYou said I was born to lose but now I'm living to win
I've answered my beckoning call
And I'm casting the seven deadly sins, on you
On you, and the world that is against you
But he won't wave that S.O.S. white flagThe anger grips his fists
You can see it in his paved face look, fall no way
Violation detonation, fall no way
Violation detonation, fall no way
Violation detonation, fall no way
Violation detonation, fall no way
Violation detonationRaise your fist and fight, fight, fight
Face your fears and rise, rise, rise
Raise your fist and fight, fight, fight
Face your fears and rise, let's goFall no way
Violation detonation, fall no way
Violation detonation, fall no way
Violation detonation, fall no way
Violation detonation
