

If (Mr. Mockwell Remix)

Janet Jackson

Sittin over here
Starin in your face
With lust in my eyes
Sure don't give a damn and ya
Don't know that I've been dreamin of ya in
My fantasies
Never once you looked at me
Don't even realize that I'm wantin you
To fulfill my needs
Think what you want
Let your mind free
Run free to a place no one dares to
How many night I've laid in bed excited over you
I've closed my eyes and thought of us a hundred different ways
I've gotten there so many times I wonder how bout you
Day and night
Night and day
All I've got to say is
If I was your girl
Oh the things I'd do to you
I'd make you call out my name
I'd ask who it belongs to
If I was your woman
The things I'd do to you
But I'm not
So I can't
Then I won't
But
If I was your girl
Allow me some time to play with your mind
And you'll get there again and again
Close your eyes and imagine my body undressed
Take your time cuz we've got all night, oooh
You on the rise as you're touchin my thighs and
Let me know what you like
If you like I'll go
Down da down down down da down down
I'll hold you in my hand and baby
Your smooth and shiny
Feels so good against my lips sugar
I want you so bad I can
Taste your love right now baby
Day and night

Night and day
All i've got to say is If I was your girl
Oh the things I'd do to you
I'd make you call out my name
I'd ask who it belongs to
If I was your woman
The things I'd do to you
But I'm not
So I can't
Then I won't

But
If I was your girl If I was your girl
Oh the things I'd do to you
I'd make you call out my name
I'd ask who it belongs to
If I was your woman
The things I'd do to you
But I'm not
So I can't
Then I won't

But
If I was your girl I've laid in bed excited over you
One hundred different way I've thought ya
Many, maaany

(day and night, night and day)
Allll I got to say is If I was your girl
Oh the things I'd do to you
I'd make you call out my name
I'd ask who it belongs to
If I was your woman
The things I'd do to you
But I'm not
So I can't
Then I won't

But
If I was your girl If I was your girl
Oh the things I'd do to you
I'd make you call out my name
I'd ask who it belongs to
If I was your woman
The things I'd do to you
But I'm not
So I can't
Then I won't
But

If I was your girl If I was your girl
Oh the things I'd do to you
I'd make you call out my name
I'd ask who it belongs to
If I was your woman
The things I'd do to you
But I'm not
So I can't
Then I won't
But
If I was your girl
