Manners (Extended)

Icona Pop

You don't just leave a girl without a clue
Like it's up to you
You're coming back
You don't just walk all over broken hearts
Tearing love apart
You're coming back
You're coming backManners
Take a second look and you'll see
There is no one like me
Manners
You better reconsider
'Cause you will never do betterThere is no one like meYou don't just walk away without a trace
You can tell it to my face
'Cause you're coming back
You don't just play around and get away
Hear me when I say
You're coming back
Oh, you're coming backManners
Take a second look and you'll see
There is no one like me
Manners
You better reconsider
'Cause you will never do betterThere is no one like me
There is no one like meTake a second look and you'll see
There is no one like meManners
Take a second look and you'll see
There is no one like me
Manners
You better reconsider
'Cause you will never do betterThere is no one like me
There is no one like me
