

Modern Man

Arcade Fire

So I wait my turn, I'm a modern man
And the people behind me, they can't understand
Makes me feel like
Makes me feel like So I wait in line, I'm a modern man
And the people behind me, they can't understand
Makes me feel like
Something don't feel right Like a record that's skipping
I'm a modern man
And the clock keeps ticking
I'm a modern man
Makes me feel like
Makes me feel like In my dream I was almost there
And you pulled me aside and said you're going nowhere
They say we are the chosen few
But we're wasted
And that's why we're still waiting
On a number from the modern man
Maybe when you're older you will understand
Why you don't feel right
Why you can't sleep at night now In line for a number but you don't understand
Like a modern man
In line for a number but you don't understand
Like a modern man Oh I had a dream I was dreaming
And I feel I'm losing the feeling
Makes me feel like
Like something don't feel right
I erase the number of the modern man
Want to break the mirror of the modern man
Makes me feel like
Makes me feel like In my dream I was almost there
But you pulled me aside and said you're going nowhere
I know we are the chosen few
But we're wasted
And that's why we're still waiting
In line for a number but you don't understand
Like a modern man
In line for a number but you don't understand
Like a modern man And you feel so right
But how come you can't sleep at night?

In line for a number but you don't understand

Like a modern man I'm a modern man

I'm a modern man

I'm a modern man

I'm a modern man
