

# Drive Her Home

[Hopeton Lewis; U-Roy](#)

I give her the number 1 and I drive her home  
I give her the number 2 and drive her home  
    When I give her the number 3  
    Said, Darling, I'm feeling free  
Girl is close to mine and drive me home Give her the number 2 and drive her home  
I give her the number 3 and drive her home  
    When I give her the number 4  
    Said, Darling, I don't love you no more  
Girl is close to mine and drive me home Give her the number 2 and drive her home  
I give her the number 3 and drive her home  
    When I give her the number 4  
    Said, Darling, I don't love you no more  
Girl is close to mine and drive me home Drive me home, drive me home  
    Drive me home, yeah, drive me home  
    Girl is close to mine
