

# The Year Of Purification

## Manic Street Preachers

Detoxification, purification  
The ravaged corner  
Cold and  
Run away, run away  
As fast as you can  
From anything that needs discipline  
The year of purification, purification  
Deification, depopulation  
Crescendo of craving  
Sullen and distorted  
Run away, run away  
As fast as you can  
From anything that needs discipline  
The year of purification  
The year of purification, purification  
What have I said?  
What have I said again?  
I regret everything  
Moral little shit kickers  
Liberal asinine pricks  
Run away, run away  
As fast as you can  
From anything that needs discipline  
The year of purification  
The year of purification, purification
