

Feeler (Michael Brauer Mix)

Pete Murray

Got inside my head today I felt you
Said my imaginations tryin' to hold you
Responsible for all my ways I told you
You take me in the happy days
I know know know That you
And I
Will be
Always
On side
It leaves
Imaginary fears
Of a love Got inside my head today I felt you
Said my imaginations tryin' to hold you
Responsible for all my ways I told you
You take me in the happy days
I know know know That you
And I
Will be
Always
On side
It leaves
Imaginary fears
Of a love You get to me You
And I
Will be
Always
On side
It leaves
Imaginary fears
Imaginary fears
