

I'm A Cheat

Christina Milian

Huh, huh, huh, huh,

Huh, huh, huh, huh,

Huh, huh, huh, huh,

Huh, huh, huh, huh,

The good girl in me is all gone,

Ring the bell - she ain't home (she ain't home).

And this new girl in me so strange (so strange),

I used to be love it, love it (now),

Everything's changed.

And now you, you saying you can do, do

Whatever the other mans failed to do, do

I can hear you clear like a wireless network (network)

Not have no problems with affection

Cause this is how I address it

I'm a cheat yey

I'm a cheat yey

I'm a cheat yey

He had a problem with affection

I'm a cheat yey

I'm a cheat yey

I'm a cheat yey

This is how I address it

I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat

I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat

I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat

I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat

(All cheaters ya all no ain't cheaters I can grantee like I'm no other cheater) [x2]

Ain't it sad that you gave me your best,

Cause your best was just like the rest.

Crying rivers trying me don't fly

My eyes drier then a Las Vegas sky

It was you, you said that you gonn' do, do

What every other man failed to do, do

Your just another dropped clone in my network

He had a problem with affection

And this is how I address it

I'm a cheat yey

I'm a cheat yey

I'm a cheat yey
He had a problem with affection
I'm a cheat yey
I'm a cheat yey
I'm a cheat yey
This is how I address it
I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat
I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat
I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat
I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat
(All cheaters ya all no ain't cheaters I can grantee like I'm no other cheater) [x2]

Yves saint Laurent stacks in my bag
Hit the club fly twenny threes on the jag
You know I'm on the throne
You know I'm on the yacht
Me and my girls posting in the back
Watch me do my 2 step
Yep, get my drink on
First my girl going to point them out
Then I get my freak on
All up on this guy
Shawty you know why
Now you can go 'head and ki-ki-kiss my ass goodbye

I'm a cheat yey
I'm a cheat yey
I'm a cheat yey
He had a problem with affection
I'm a cheat yey
I'm a cheat yey
I'm a cheat yey

This is how I address it
I'm a cheat
I'm a cheat
I'm a cheat
I'm a cheat

(All cheaters ya all no ain't cheaters I can grantee like I'm no other cheater) [x2]
(Watch me do my 2 steps yep get my drink out 1st my girls going to point them out then I get my freak on)
