

To Love Somebody

[Hank Williams, Jr.](#)

There's a light certain kind of light that never shone on me
I want my life to be lived with you oh lived with you there's a way
Everybody says to do each and every little thing
But what does it bring if I ain't got you if I ain't got I ain't you baby
You don't know what it's like baby you don't know what it's like
To love somebody love somebody like I love you
There's a brain I see your face again I know my frame of mind
You ain't got to be so blind cause I'm blind so very blind
But babe I'm a man can't you see that I am
I live and I breathe for you what good does it do
Cause I ain't got you I ain't you baby
You don't know what it's like...
You don't know what it's like...
You don't know what it's like...
