

# I'm Coolin', No Foolin'

Lesley Gore

But I'm coolin', yes, I'm coolin'  
No foolin', I'm coolin' on you

Your every wish was my command  
The moment that you took my hand  
My fate was to obey  
The moment that you made the date

But I'm coolin', yes, I'm coolin'  
No foolin', I'm coolin' on you

Well now you promised to be true  
And so I took my eyes off you  
And then the moment that my back was turned  
I saw Nero fiddlin' while Rome burned

But I'm coolin', yes, I'm coolin'  
No foolin', I'm coolin' on you

Don't apologize  
Don't you flash those eyes  
Don't you say those sweet things to me  
Don't you dare explain  
You're drivin' me insane  
Don't come any closer  
You're gonna get a no, no, no, no, no sir

Since all your vows just proved untrue  
The other foot now wears the shoe  
Here's your farewell and there's the door  
I just won't play these games no more

But I'm coolin', yes, I'm coolin'  
No foolin', I'm coolin' on you
