

Black-Eyed Blues

Joe Cocker

I need a destination of the black eyed blues
Total destination of the colour I choose
Now I don't mind if it turned me around
Just as long as it gets fine oh it gets boundA sudden hesitation to the black eyed shoes
A total destination of the colour you choose
oh I don't mind if you let it ride
Just as long as you let it shine, oh let it shineTell you I need a destination of the black eyed blues
Total destination of the colour I choose
Now I don't mind if it turned me around
Just as long as it gets fine oh it gets boundOh sweet indoctrination of they old time blues
Total fascination of the colour I choose
Whoo I don't mind if let the poor down
Just as long as its turning around, oh its turning around
Tell you want feel the destination of the black eyed blues
Total destination of the colour I choose
I don't mind witch way you want to go
Just as long as you let it show, let it show
Performed by Joe Cocker
As noticed from record with my Dutch ears
