Butterflies

Kolohe Kai

[Verse 1]
Thereâ€™s something in your eyes,
It holds a big surprise,
It made me realize how much I adore you.
I hold you in my arms,
Iâ€™ll keep you out of harm,
Iâ€™ll always have the charm and love I have for you.

[Pre-Chorus]
Youâ€™re my crush,
Canâ€™t you see the way I blush,
but I donâ€™t want to rush things with you my love,
Youâ€™re all I think of,
Truly sent from above.

[Chorus]
Girl I get butterflies when I look into your eyes,
Girl, I get butterflies, yea I,
I get so weak when I hear you speak,
Girl, I get so weak,
I get butterflies.

[Verse 2]
Oh I love the way you smile,
Itâ€™s got me going wild,
I never imagined having this feeling.
From the way you flip you hair,
To the glances that you share,
And the loving way you care,
Has my heart hit the ceiling.

[Pre-Chorus]
Youâ€™re my crush
Canâ€™t you see the way I blush
But I donâ€™t want to rush things to quick with you,
Youâ€™re my baby boo,
Oh darling I love you.

[Chorus]
Girl I get butterflies when I look into your eyes,

Girl, I get butterflies, yea I,
I get so weak when I hear you speak,
Girl, I get so weak,
I get butterflies.

I get butterflies.
Butterflies, butterflies.
