

# Fool's Paradise

[Rosie Vela](#)

I often think off the live I've led  
And oh, it's a wonder, I ain't dead  
Drinking and gambling, staying out all night  
Living is a fool's paradise  
My mother told me and my father told me too  
Said my child, it's all catch up with you  
Drinking and gambling, staying out all night  
Living in a fool's paradise  
Though I've learned my lesson

Like all fools I've met  
Oh, I've learned things in this life  
That I haven't forgotten yet  
My father told me, my mother said it right  
Said my son, you're ruining your life  
Drinking and gambling, staying out all night  
Living in a fool's paradise  
Oh yeah, living in a fool's paradise
