Amazing Eyes

Good Old War

You have amazing eyes
The right one's suspicious and the left one wants my love
I don't care what you think I've done
I know I never meant no harm to anyone
I know I never meant no harm at all

Is this wrong or only half right
You want me gone but I stay the night
When I see you in the half light
It feels so fine
Everybody seems to wonder why
I go right back to you every time
But I don't mind
I don't mind

'Cause you have amazing eyes
The right one's suspicious and the left one wants my love
I don't care what you think I've done
I know I never meant no harm to anyone

You're a little bit broken
And I'm a little bit broken
When we pull ourselves together
My, oh my
And you may not understand it
But something here's working
So I don't mind
I don't mind

'Cause you're mine
You're mine
I don't mind
'Cause you're mine
You're mine
I don't mind

You have amazing eyes
The right one's suspicious and the left one wants my love
I don't care what you think I've done
I know I never meant no harm to anyone

I know I never meant no harm at all

You have amazing eyes
The right one's suspicious and the left one wants my love
I don't care what you think I've done
I know I never meant no harm to anyone
I know I never meant no harm to anyone
I know I never meant no harm at all
