Told from son to son
A Cabalic Sephiroth
10 spheres A diagram polarity - The Sephiroth
Mythological beliefs
Encompass 3 columns
Which will you follow
Which will you believe
Equality Mercy Severity The Sephiroth
Condemnation or divine raptureYou face the world you hold the key
You are the master of your destiny
Take on this dare with chaste moral code
Bearing the weight of this life worthy load
A book cant tell about life after this
You have to learn or face the abyss
What I have said comes from inside
Youll find the answer when you have died
Mandate your own future
Mystical wisdom Divine quality
