Private Party (US Remix)

Leona Lewis

I've been your girlfriend
For quite a while
And now I'm feeling
That you qualifyTo get my loving
You waited patiently
To get with meI'll take you
Round the way
Cause boy
It's time to playI'll make you
Want me more
Give what
You asking for[Chorus: x2]
This is a private party
It just for you and me
I want to be your hottie
Fulfill your fantasySomeone like you is
Hard to findAnd boy I know what's
Been on your mindAnd now I'm ready
To take you further
Ooh tonightI'll take you
Round the way
Cause boy
It's time to playI'll make you
Want me more
I'll give what you
Asking forJust relax,
Take your time
And everything will be
Just fineCause tonight
I'm yours
Come explore my world[Chorus: x2]
