

# The Ubiquitous Mr. Lovegrove

## The Tea Party

I thought that you knew it all  
Well, you've seen it ten times before  
I thought that you had it down  
With both your feet on the ground  
I love slow  
Slow but deep  
Feigned affections  
Wash over me  
Dream on my dear  
And renounce temporal obligations  
Dream on my dear  
It's a sleep from which you may not awaken  
You build me up, then you knock me down  
You play the fool while I play the clown  
We keep time to the beat  
Of an old slave drum  
You raise my hopes, then you raise the odds  
You tell me that I dream too much  
Now I'm serving time  
In disillusionment  
I don't believe you anymore  
I don't believe you  
  
I don't believe you anymore  
I don't believe you  
I thought that I knew it all  
I'd seen all the signs before  
I thought that you were the one  
In darkness my heart was won  
You build me up, then you knock me down  
You play the fool while I play the clown  
We keep time to the beat  
Of an old slave drum  
You raise my hopes, then you raise the odds  
You tell me that I dream too much  
Now I'm serving time  
In a domestic graveyard  
I don't believe you anymore  
I don't believe you

Never let it be said, I was untrue  
I never found a home inside of you  
Never let it be said, I was untrue  
I gave you all my time  
I gave you all my time
