Going My Way

Will Young

In time gone by, I lost my will
To try and find a clear way through
Now, it's been a while
Since I asked myself what to do
It's been a while since I played the fool
Cause they said "raise your game, leave the shame
In this place where you will remain
Unless you save your soul"

[Chorus]
Now it's going my way
Forget the time that I did then
Now it's going my way
I look and everything's OK
I've got nothing much to say except
The life that I now lead
Is going my way
Going my way

It's been a while since I spent the day
The whole day wrapped up in my dreams
It took a while upstaging misery
It isn't all it seems
Now I smooth my hair, feeling tight
I'm getting into something right
Living beyond those days

[Chorus]

I don't understand how it came to
(How it came to)
I don't understand those depths of despair
(Those despairs)
I don't understand how it came to
(How it came to)
I don't understand reaching that despair
(Reaching that despair)

[Chorus: x2]

Cause I've settles my mind
Settled my mind
