

Fly Away

FFH

Okay you win, you caught me day dreamin' again
About our sudden evacuation
Okay I give in, I can't help but wonderin'
But it seems I can't get enough information
Curiosity has got a hold on me
Tell me how it's gonna be, when
One day I'll see, you comin' back for me
And all together we'll fly away yeah
One day I'll hear that trumpet loud and clear
And all together we'll fly away
Oh how I long for the day
When we'll fly away
Don't ask me why I keep starin' at the sky
It's just I'm lost in anticipation
I know it will be in the twinklin' of an eye
It's just I get lost in my imagination
Curiosity has got a hold on me
Tell me how it's gonna be, when
One day I'll see, you comin' back for me
All together we'll fly away
One day I'll hear that trumpet loud and clear
And all together we'll fly away
Oh how I long for the day
When we'll fly away
Yeah yeah we'll fly away
Curiosity oh it's got a hold on me
Tell me, how it's gonna be?
One day I'll see, you comin' back for me
All together we'll fly away
One day I'll hear that trumpet loud and clear
And all together we'll fly away
One day I'll see, you comin' back for me
All together we'll fly away yeah
One day I'll hear that trumpet loud and clear
And all together we'll fly away
Oh how I long for the day
When we'll fly away
Yeah yeah we'll fly away
Yeah yeah we'll fly away
Yeah yeah we'll fly away
