

I Know You Don't Love Me

Peter Bjorn And John

Ah, I gotta know when you gonna jump down
Ah, I need to know cause you're blocking the sunshine
Ah, I need to know when you gonna jump down
Ah, I need to know cause you're blocking the sunshine
Ah, I'm so bored of your pessimism
Ah, I'm so bored of your pessimism
Ah, familiar face is so (?)
Ah, familiar face is so (?)

I know you don't love me, I know the reason why
I know you don't love me, I know the reason why
I know you don't love me, I know you don't love me
I know you don't love me, I know the reason why

I know you don't love me, I know the reason why
I know you don't love me, I know you don't love me
Ah, I need to know when you gonna jump down
Ah, I need to know cause you're blocking the sunshine
Ah, I need to know when you gonna jump down
Ah, I need to know cause you're blocking the sunshine
I know you don't love me, I know the reason why
I know you don't love me, I know the reason why
I know you don't love me, I know you don't love me
I know you don't love me, I know the reason why
I know you don't love me, I know the reason why
I know you don't love me, I know you don't love me
