

Beautiful Problem

Anthony David

Wrong kind of right, a happy kind of sad
Feels so good, but it hurts so bad
Denying the truth and believing lies
Reason to laugh is the reason I cry
It's not fair, but I don't care It's a beautiful problem...a beautiful problem
From the outside looking in, makes no sense
Playing a game, I'll never win
How long can I dance before the music ends? Keep breaking rules that were never meant to bend
It's not fair, but I don't care
It's a beautiful problem, such a beautiful problem
High at the bottom Such a beautiful problem
I don't wanna hide, won't apologize
Will not explain, I am not ashamed
It's a beautiful problem
It's a beautiful problem
High at the bottom
It's a beautiful problem Such a beautiful beautiful...beautiful Beautiful beautiful...beautiful (4x) Such a beautiful
problem
