

Throwing Stones

Nonpoint

I will stand
In the path of
The outcome
Of my actions
With conviction
And the stature
Of a believer
And a bastard
Its the lover
Versus the fighter
The monster
Against the mob
That controls us all
Molds us all
It shows us all
Who we really are
Throwing stones
You're just throwing stones
Until you're satisfied
(Until you're satisfied)
Throwing stones
You're just throwing stones
Fill that hole inside
Black hole inside
I will laugh
In the face of
The doubters
Oh, the sheep
Then they walkin'
Through their lives like
They were meant for,
Absolutely nothing
It's the drink us
Versus the bombs going off
The fire

Versus incredible stones
Consumin' me
Then throw it to me

But it will make me
Into what you want
Throwing stones
You're just throwing stones
Until you're satisfied
(Until you're satisfied)
Throwing stones
You're just throwing stones
Fill that hole inside
(fill that hole inside)
No, not gonna change my mind
No, not gonna change my life
No!
For what you want to decide for me
For me
For me
For me..
Throwing stones
You're just throwing stones
Until you're satisfied
(Until you're satisfied)
Throwing stones
You're just throwing stones
Fill that hole inside
Black hole inside
You're just throwin'
You're just throwin'
You're just throwin' stones
Whoa, whoa!
