Plush (Ã‚me Remix)

Tiga

I don't need a calculator
To know I'm gonna see you later
And I don't need a secretary
To tell me you are very very
Plush!I don't need a calculator
To know I'm gonna see you later
And I don't need a secretary
To tell me you are very very
Plush! Plush!I don't need a calculator
To know I'm gonna see you later
And I don't need a secretary
To tell me you are very very
Plush!I don't need a calculator
To know I'm gonna see you later
And I don't need a secretary
To tell me you are very very
Plush!I don't need a calculator
To know I'm gonna see you later
And I don't need a secretary
To tell me you are very very
Plush!I don't need a calculator
To know I'm gonna see you later
And I don't need a secretary
To tell me you are very very
Plush!
