Come On

Barry White

You're a freak
Sweet freak
Come on, come on, come on, girl
Come on, come on, come on, baby
Come on, come on, come on, girl
Come here baby
I can't stand it, I can't take much more
The way you dance, oh baby
You move your body like you're teasing me
Oh, yeah, baby, oh baby
I'll love you day and night
I'm with you wrong or right
I'll keep you satisfied
'Cause satisfaction's guaranteed
Oh baby, sure enough
You mean that much to me
Girl, I need your love
Just give me all your love
Love you, oh baby
Oh, right now, right now
Right here, right here, baby
Come on, come on, come on, girl
Come on, come on, come on, baby
Come on, come on, come on, girl
Come on baby
There's no other like you in this world
Oh, no baby, no baby
You're so pretty I could eat you, girl
Don't stop, baby, no, baby
I'll love you day and night
I'm with you wrong or right
I'll keep you satisfied
'Cause satisfaction's guaranteed
Oh baby, sure enough
You mean that much to me
Girl, I need your love
Just give me all your love
Love you, oh baby
Oh, right now, right now

Right here, right here, baby
Come on, come on, come on, girl
Come on, come on, come on, baby
Come on, come on, come on, girl
Right on baby
Come on
Right on
Come on
Come on, baby
I'm here to get it
I'm goin' to stay with you
Come, come, come
Come on, come on, come on, girl
That's it
