Oh yeah~

Being born in the same country  
Talking in the same language  
We're so lucky,  
it's such a relief  
Nothing is for certain in this world

On a day that  
I wore nice clothes, I met you, I was lucky  
It's because I did good in the past

I can call your name and  
I can hold your hand  
Is the falling sunlight only shining  
on me? Can I be this happy?

You call my name and  
you lean on my shoulder  
Is the skyâ€™s sunlight only shining  
on you? Can you be that dazzling?

So lucky, my love  
So lucky to have you  
So lucky to be your love, i am. hmm

We like the same colors  
We like the same movies, lucky  
Itâ€™s a love thatâ€™s meant to be

I can call your name and  
I can hold your hand  
Is the falling sunlight only shining  
on me? Can I be this happy?  
You call my name and  
you lean on my shoulder  
Is the skyâ€™s sunlight only shining  
on you? Can you be that dazzling?

So lucky, my love

We smile brightly in the photo,  
weâ€™re a perfect harmony  
I think Iâ€™m a lucky guy,  
itâ€™s so good like  
weâ€™re in a fairy tale of our dreams  
Oh my god, itâ€™s the best thing to hear  
Her voice melts me like ice cream  
She is picture perfect

Because youâ€™re my first, because  
this song is about you  
Iâ€™m smiling like this, so only you can see,  
are you looking at me right now?  
I have a new dream, itâ€™s  
to be one a better man  
Because your eyes that look at me make me  
run once again more than anything else

So lucky, my love  
So lucky to have you  
So lucky to be your love, I am. hmm
