Temptation

Moby

Heaven
A gateway to hope
Just like a feeling
I need, it's no joke
And though it hurts me
To see you this way
They traded by words
I'd never heard to hard to say them
Oh, up, down, turn around, please don't let me hit the ground
Tonight I think I walk alone, to find my soul desire to go home
Up, down, turn around, please don't let me hit the ground
Tonight I think I walk alone, to find my soul desire to go home
Oh, it's the last time
Oh, it's the last time
Oh, it's the last time
Oh, it's the last time
Each way I turn
I know I'll always try
To break the circle
That has been placed 'round me
From time to time
I find our lost
Semeaning
That was urgent to myself, I don't believe
Oh, up, down, turn around, please don't let me hit the ground
Tonight I think I walk alone, to find my soul desire to go home
Up, down, turn around, please don't let me hit the ground
Tonight I think I walk alone, to find my soul desire to go home
Oh, it's the last time
Oh, it's the last time
Oh, it's the last time
Oh, it's the last time
And I've never met anyone quite like you before
And I've never met anyone quite like you before
And I've never met anyone quite like you before
And I've never met anyone quite like you before
And I've never met anyone quite like you before
And I've never met anyone quite like you before
Up, down, turn around, please don't let me hit the ground

Tonight I think I walk alone, to find my soul desire to go home
Up, down, turn around, please don't let me hit the ground
Tonight I think I walk alone to find my soul desire to go home
