

# Temptation

## Moby

Heaven  
A gateway to hope  
Just like a feeling  
I need, it's no joke  
And though it hurts me  
To see you this way  
They traded by words  
I'd never heard to hard to say them  
Oh, up, down, turn around, please don't let me hit the ground  
Tonight I think I walk alone, to find my soul desire to go home  
Up, down, turn around, please don't let me hit the ground  
Tonight I think I walk alone, to find my soul desire to go home  
Oh, it's the last time  
Oh, it's the last time  
Oh, it's the last time  
Oh, it's the last time  
Each way I turn  
I know I'll always try  
To break the circle  
That has been placed 'round me  
From time to time  
I find our lost  
Semeaning  
That was urgent to myself, I don't believe  
Oh, up, down, turn around, please don't let me hit the ground  
Tonight I think I walk alone, to find my soul desire to go home  
Up, down, turn around, please don't let me hit the ground  
Tonight I think I walk alone, to find my soul desire to go home  
Oh, it's the last time  
Oh, it's the last time  
Oh, it's the last time  
Oh, it's the last time  
And I've never met anyone quite like you before  
And I've never met anyone quite like you before  
And I've never met anyone quite like you before  
And I've never met anyone quite like you before  
And I've never met anyone quite like you before  
And I've never met anyone quite like you before  
Up, down, turn around, please don't let me hit the ground

Tonight I think I walk alone, to find my soul desire to go home  
Up, down, turn around, please don't let me hit the ground  
Tonight I think I walk alone to find my soul desire to go home
