

# Imagine The Swan

## The Zombies

Well I have a picture in color of you  
And it's there in my room to remind me of you  
So it was with surprise that I saw you today  
And I did not recognize you, girl, what more can I say? For the colors are gone  
You've become kind of gray  
And you're not like the swan  
That I knew yesterday... Now the pictures are wrong  
You've become kind of gray  
I imagine the swan  
That you were yesterday... The sadness that I felt was hard on my eyes  
And the truth on my face was hard to disguise  
So I let you walk by  
I turned out of your way  
And I tried to close my eyes  
And let the sadness fall away... For the colors are gone  
You've become kind of gray  
And you're not like the swan  
That I knew yesterday... Now the pictures are wrong  
You've become kind of gray  
I imagine the swan  
That you were yesterday...
