Iâ€™ll Be Your Man

McFly

Been all around the world
I've never met a girl
That does the things you do
And puts me in the mood
To love you, and treat you right
So come here, and close your eyes
Lie back, release your mind
And let the world fall down while I'm by your sideI'll be your man through the fire
I'll hold your hand through the flames
I'll be the one you desire
Honey, 'cause I want you to understand
I'll be your man
I'll be your manI can make it through the days
The years can pass away
There's lipstick on my face
And I love the way you taste
And I'm right here, so lock the door
Because you make me
Burn, and make love
And you don't care, 'bout your mistakes
'Cause they all went away when I found you KatieI'll be your man through the fire
I'll hold your hand through the flames
I'll be the one you desire
Honey, 'cause I want you to understand
I'll be your man
I'll be your man
