Advisory - the following lyrics contain explicit language:

Stroll down the runway  
Another payday  
Cover of magazines  
And when they see me  
They want to be me  
I am your fantasy Cover girl! Put the bass in your walk  
Head to toe let your whole body talk  
(Cover Girl! Put your bass in your walk  
Head-to-toe let your whole body talk) To Grumman's Chinese, Red carpet tv  
Valet my limousine  
Box office sweetie, An Oscar nominee  
Now watch me snatch trophies Cover girl! Put the bass in your walk  
Head to toe let your whole body talk  
(Cover Girl! Put your bass in your walk  
Head-to-toe let your whole body talk) Walk...now walk...walk....now walk(and what?)  
Walk...now walk...walk....now walk  
Come on baby, bring it  
For Cameroon, bring it Face(face), face(face), face(face), I get face  
Beauty face you can take, it's ok  
Watch my body go insane  
Everyone keeps looking at me  
You know I am Sarah P.  
If u want to come for me and feel the meat  
Come right now and walk with me! Stroll down the runway  
Another payday  
Cover of magazines  
And when they see me  
They want to be me  
I am the fantasy Cover girl! Put the bass in your walk  
Head to toe let your whole body talk  
(Cover Girl! Put your bass in your walk  
Head-to-toe let your whole body talk) Pump and bump it

Pump it and bump bump it  
Pump pump it and bump bump it  
Pump pump it and bump bump it Cover girl! Put the bass in your walk  
Head to toe let your whole body talk  
(Cover Girl! Put your bass in your walk  
Head-to-toe let your whole body talk) Walk...now walk...walk....now walk (and what?)  
Walk...now walk...walk....now walk
