Rocket to the Moon

[Colin James](#)

Feel like flyin, baby, gonna take a rocket to the moon
Feel like flyin, baby, gonna take a rocket to the moon
Send somebody, baby, if I dont get back soonWhen I come down, honey, landed in the middle of the sea
When I come down, honey, land me in the middle of the sea
I keep lookin for my baby, I know shes watchin out for meWell, got it flyin on streamline, it really ain't built for speed
Well, got it flyin on streamline, it really ain't built for speed
Gotta rock it to my baby, I give her everything she needsWell, it feel so good, her love is like a sugar on a spoon
Well, Im crazy for my baby, she loves lickin sugar from the spoon
When Im flyin with my baby, Im out here on a rocket to the moonOhh, gonna rock by the stars, sail by the sun
Rock it to my baby till my work is done
Keep rockin you, baby, till the break of day
Till the sound of your voice makes the stars go awayFeel like flyin, baby, gonna take a rocket to the moon
Won't you send somebody, baby, if I dont get back soon?
Yeah, come onWell, bye, baby, bye-bye
Bye, baby, bye-bye
So long, yeah baby, Im gone
