

Ice Cream (remix)

Js

Come and get a scoop of my ice cream baby
JS got the flavors that I know will drive you crazy
Tonight Its gonna be like we were streamin' baby
 Won't you wanna taste my ice cream
Baby you know I got all the flavors that you want
 Plus I got all the skills that I need to turn you on
 Vanilla, strawberries, chocolate baby boy it's on
 Now tell me can you picture my body on a cone
Baby come lay your body right here I wanna ride it
Switch it up turn it around now come and get inside it
Tonight your gonna have so much fun while tastin' my love
 Tell do you have a taste for vanilla wafers
 Come and get a scoop of my ice cream baby
JS got the flavors that I know will drive you crazy
Tonight Its gonna be like we were streamin' baby
 Won't you wanna taste my ice cream
Boy it's getting late so don't hesitate let's get to it
Just put the Chocolate Factory CD in and watch me lose it
 Come in my story like an ending what it is you want
Bananas mixed with peach mixed with cherries mixed with lime
 Lots of all kinds apples or lemon-lime
 Come and try my coconut it's gonna blow your mind
Taste my ice cream this is somethin' you wouldn't wanna miss baby
 31 flavors ain't got nothin' on this

Come and get a scoop of my ice cream baby
JS got the flavors that I know will drive you crazy
Tonight it's gonna be like we were streamin' baby
 Won't you wanna taste my ice cream
You ain't never seen milky waterfalls, no, no
 Never seen Gumdrops wall snow
You ain't never seen a Vanilla tootsie roll
 'Til you taste my ice cream
Come and get a scoop of my ice cream
 Come and get a scoop boy
 Come on and taste it boy
Oh won't you taste my ice cream yeah
 Oh I know your gonna like boy
 Once I give it to you baby boy

It's like lifesavers all these flavors
Come and get a scoop of my ice cream baby
JS got the flavors that I know will drive you crazy
Tonight it's gonna be like we were streamin' baby
Strawberries, strawberries, raspberries, raspberries
Won't you taste my ice cream
Pied Piper y'all JS
Ron I A.K.A. Mr. B I G
We in our throw backs
One, ice cream
