

# Machine

## Yeah Yeah Yeahs

Wasteful season take my hand  
Take the place of the snakes who ran Savage things wash over me  
A crime that leaves the heated green Oh machine  
Machine, I washed it for you  
Oh machine  
Machine, I wasted for you And I walk, and I walk  
The space left for two  
And I wait, and I wait  
To wake next to you  
And I walk, and I walk  
The space left for two  
And I wait, and I wait  
To wake next to you Oh machine  
Machine, I wasted for you Machine, machine  
I washed it for you
