

We Don't Care [Dirty Version]

Audio Bullys

There's things I haven't told you
I go out late at night
And if I was to tell you
You'd see my different side
There's things I haven't told you
I go out late at night
And if I was to tell you
You'd see my different side
There's things I haven't told you
I go out late at night
And if I was to tell you
You'd see my different side
There's things I haven't told you
I go out late at night
And if I was to tell you
You'd see my different side
There's things I haven't told you
I go out late at night
And if I was to tell you
You'd see my different side
What the fuck?
We don't care
What you say
I'mma do my thing
From day to day
Get it?
We don't care
What you think
'Cause in this world
It's swim or sink
What the fuck?
We don't care
What you say
I'mma do my thing
From day to day
Get it?
We don't care
What you think
'Cause in this world
It's swim or sink
What the fuck?
There's things I haven't told you
I go out late at night
And if I was to tell you
You'd see my different side
There's things I haven't told you
I go out late at night
There's things I haven't told you
I go out late at night
And if I was to tell you

You'd see my different side There's things I haven't told you

I go out late at night We don't care

What you say

I'mma do my thing

From day to day

Get it? We don't care

What you think

'Cause in this world

It's swim or sink

What the fuck? We don't care

What you say

I'mma do my thing

From day to day We don't care

What you think

'Cause in this world

It's swim or sink

What the fuck? We don't care

What you say

I'mma do my thing

From day to day

Get it? We don't care

What you think

'Cause in this world

It's swim or sink

What the fuck
