

# Just When I Needed You

[Hank Williams](#)

Just when I needed you, you left and went away  
You made my life so blue both night and day  
You left me here behind, with a troubled worried mind  
So broken hearted too just when I needed you I cried, I cried, I prayed, lord, I tried, to forget you  
And never call your name, what a shame, what a shame  
You're the one who was to blame  
You're the one who was untrue just when I needed you You said, it's best we part, and never love again  
And though it broke my heart, I won't complain  
You know I love you still and dear I always will  
Although you proved untrue just when I needed you I cried, I cried, I prayed, Lord, I tried, to forget you  
And never call your name, what a shame, what a shame  
You're the one who was to blame  
You're the one who was untrue just when I needed you No matter where you wander, no matter what you do  
There's a longing in my heart for only you  
I love you just the same and I want you back again  
Although you proved untrue just when I needed you I cried, I cried, I prayed, lord, I tried, to forget you  
And never call your name, what a shame, what a shame  
You're the one who was to blame  
You're the one who was untrue just when I needed you
