

# Here's to Us (feat. Slash)

## Halestorm

We could just go home right now  
Or maybe we could stick around  
For just one more drink, oh yeah  
Get another bottle out  
Lets shoot the shit  
Sit back down  
For just one more drink, oh yeah Here's to us, here's to love  
All the times that we fucked up  
Here's to you, fill the glass  
'Cause the last few days have kicked my ass  
So lets give 'em hell  
Wish everybody well, here's to us, here's to us Stuck it out this far together  
Put our dreams through the shredder  
Let's toast 'cause things got better  
And everything could change like that  
And all these years go by so fast  
But nothing lasts forever Here's to us, here's to love  
All the times, that we messed up  
Here's to you, fill the glass  
'Cause the last few nights have kicked my ass  
If they give ya hell  
Tell em to go fuck themselves, here's to us, here's to us Here's to all that we kissed  
And to all that we missed  
To the biggest mistakes  
That we just wouldn't trade  
To us breaking up  
Without us breaking down  
To whatever's comin' our way Here's to us, here's to love  
All the times that we fucked up  
Here's to you, fill the glass  
'Cause the last few days have kicked my ass  
So lets give 'em hell  
Wish everybody well Here's to us, here's to love  
All the times, that we messed up  
Here's to you, fill the glass  
'Cause the last few nights have kicked my ass  
If they give ya hell  
Tell em to go fuck themselves, here's to us, here's to us (Go fuck themselves)  
Here's to us, here's to us

Here's to us, here's to us  
Here's to us, here's to love  
Here's to us, wish everybody well  
Here's to us, here's to love  
Here's to us, here's to us
