## Dillinger Four

EYES BURNING FROM THE SUN SHINING BRIGHT  
I HIDE FROM THE LIGHT  
CHOKE DOWN A SMOKE AND WAIT FOR THE NIGHT  
HOORAY FOR ALL THE PROGRESS WEE MADE  
THE HOLLOW INVENTIONS AND RIGID CONVERSATIONS  
AND RULES WEE OBEYED  
WATCH THEM FALL, WATCH THEM ALL FADE AWAYHOORAY FOR THE GUN, HOORAY FOR  
THE CHAIR  
HOORAY FOR THE PRISONS AND POISONOUS AIR  
MAYBE IT MATTERS AND MAYBE IT DON  
I THINK IT MATTERS TO ME  
AND IF THERE' ONE THING WE LEARN TODAY  
IT' WATCH WHAT YOU SAYRAISE A GLASS TO YEARS GONE PAST  
AND SMASH IT ON THE FLOOR  
DESTROY ALL THE YESTERDAYS  
TOO LITTLE TOO LATE  
THEYE NOTHING ANYMOREWHERE WILL YOU BE WHEN IT COMES TO AN END  
EMBRACING THE FALSEHOODS ON WHICH YOU DEPEND  
OR TAKING THE MOMENT TO SPIT IN THE EYE  
OF THOSE YOU STOOD BESIDE  
DON THINK YOU CAN HIDE IT AWAY  
IT SHOWS RIGHT ON YOUR FACE
