

# Angels Cry Remix (feat. Ne-Yo)

[Mariah Carey](#)

I shouldn't have walked away  
I would've stayed if you said  
We could've made everything OK  
But we just  
Threw the blame back and forth  
We treated love like a sport  
The final blow hit so low  
I'm still on the ground I couldn't have prepared myself for this fall  
Shattered in pieces curled on the floor  
Super natural love conquers all  
'Member we used to touch the sky  
And lightning don't strike  
The same place twice  
When you and I said goodbye  
I felt the angels cry  
True love's a gift  
We let it drift  
In a storm  
Every night  
I feel the angels cry C'mon babe can't our love be revived  
Bring it back and we gon' make it right  
I'm on the edge just tryin' to survive  
As the angels cry  
I thought we'd be forever and always  
You were serenity  
You took away the bad days  
Didn't always treat you right  
But it was OK  
I do somethin' stupid  
And you still stay with me But you can only go for so long  
Doing the one you claim to love wrong  
Before too much is enough  
You look up  
Find your love gone  
And We were so good together  
How come we could not weather  
This storm and just do better  
Why did we say goodbye 'Cause lightning don't strike  
The same place twice

When you and I said goodbye  
I felt the angels cry  
True love's a gift  
We let it drift  
In a storm  
Now every night  
I feel the angels cry C'mon babe can't our love be revived  
Bring it back and we gon' make it right  
I'm on the edge just tryin' to survive  
As the angels cry Baby I'm missin' you  
Don't allow love to lose  
We gotta ride it through  
I'm reaching for you Baby I'm missin' you  
Don't allow love to lose  
We gotta ride it through  
I'm reaching for you  
Lightning don't strike  
The same place twice  
When you and I said goodbye  
I felt the angels cry  
True love's a gift  
But we let it slip  
In a storm  
Every night  
I feel the angels cry  
Oh babe, the angels cry
