

# I Love You Love Me Love

## Joan Jett And The Blackhearts

We're still together after all that we've been through  
They tried to tell you I was not the boy fore you  
They didn't like my hair, the clothes I love to wear  
They didn't realize that I was strong enough for two I love you love you love me too love  
I love you love me love  
I love you love my only true love  
I love you love me love The things they said about the two of us were lies  
I knew they couldn't see the love lights in your eyes  
They said I wouldn't dare, to show how much I care  
They didn't know that we were just two angels in disguise I love you love you love me too love  
I love you love me love  
I love you love my only true love  
I love you love me love So here we are alone  
We made it on our own  
And though they tried they can't deny  
The way I really showed 'em I love you love you love me too love  
I love you love me love  
I love you love my only true love  
I love you love me love I love you love you love me too love  
I love you love me love  
I love you love my only true love  
I love you love me love
