

Dilate

Blue Meanies

Blasted by your senses, bombarded by your images.
Look me, look me in the eye.
Wrapped up in your tenses, locked into your wrenches.
Look me, look me in the eye. Dilate! Dilate!
Dilate! Dilate! Blasted by your senses, bombarded by your images.
Now look me, look me in the eye.
Engulfed in yours, engulfed in yours.
Look me, look me in the eye. Dilate!
Dilate! Dilate! Open wide, open wide.
Open wide, open wide. Blasted by your senses, bombarded by your images.
Now look me, look me in the eye.
Engulfed in your synergy, swallowed by your energy.
Now look me, look me in the eye. Dilate! Dilate! Dilate! Dilate!
Dilate! Dilate! Dilate! Dilate! Dilate! Dilate! Dilate! Dilate!
Dilate! Dilate!
Dilate!
Dilate! Blasted by your senses, bombarded by your images.
Now look me, look me in the eye.
Engulfed in yours, engulfed in yours.
Look me, look me in the eye.
