Favorite Girl (Piano Version)

Justin Bieber

Oh, wooh uh,
Oh, ohh,
Wooh, uh ooh,I always knew you were the best
The coolest girl I know
So prettier than all the rest
The star of my show
So many times I wished you'd be the one for me
I never knew it'd get like this girl what'd you do to me
You're who I'm thinking of,
Girl you ain't my runner up
And no matter what your always number oneMy prized possession
One and only
Adore ya
Girl I want ya
The one I can't live without that's you, that's youYou're my special
Little lady
The one that makes me crazy
Of all the girls I've ever known it's you, it's you
My favorite, my favorite, my favorite,
My favorite girl, my favorite girlYou're used to going out of your way to impress these Mr. Wrongs.
But you can be yourself for me, I'll take you as you are
I know they said believing in love, is a dream that can't be real
So girl let's write a fairy tale
And show 'em how we feelYou're who I'm thinking of,
Girl you ain't my runner up,
And no matter what you're always number oneMy prized possession
One and only
Adore ya
Girl I want ya
The one I can't live without that's you, that's youYou're my special little lady
The one that makes me crazy
Of all the girls I've ever known it's you, it's you
My favorite, my favorite, my favorite,
My favorite girl, my favorite girlMy favorite, my favorite, my favorite,
My favorite girl, my favorite girlYou take my breath away,
With everything you say
I just wanna be with you
My baby, my baby, oh ohPromise I'll play no games,
Treat you no other way than you deserve

Cause you're the girl of my dreamsMy prized possession
One and only
Adore ya
Girl I want ya
The one I can't live without that's you, that's you,
You're my special little lady
The one that makes me crazy
Of all the girls I've ever known it's you, it's you(My prized possession)
(One and only)
(Adore ya)
(Girl I want ya)
I want you
(The one I can't live without that's you), that's you, (that's you), that's you
(You're my special little lady)
You're my special little lady
(The one that makes me crazy)
The one that makes me crazy
Of all the girls I've ever known it's you, it's you
You're my favorite girl
(My favorite, my favorite, my favorite)
My favorite girl
(My favorite girl, my favorite girl)
My favorite girl
(My favorite, my favorite, my favorite)
My favorite girl
(My favorite girl, my favorite girl)
My favorite girl
