Bout That (feat. Lil Wayne)

Jeezy

[Intro][Pre-Hook]
I put them O's in the microwave but you ain't bout that there
Talk a whole brick of white (work) today but you ain't bout that there
Got a that Muller on my wrist today but you ain't bout that there
You made me fuck your bitch today cause you ain't bout that there
[Hook: Jeezy]
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there[Verse 1]
Started at the hammer I ain't talking bout astrology
[?] pussy gotta bitch you owe me an apology
Only talkin' bout that trappin' shit, I opened up the door for that
I could've stopped at 101 tell me who shit coming close to that
But you know how the saying goes how I cut the tape make a wish
Call your clientele say I'm bout to make your favorite dish
My wrists can't keep my arms close, yeah I'm talkin' Arnold Schwarzenegger
Dropped the mixtapes, changed the game
Whoever thought it'd be a Georgia nigga
Jumped off the porch but I landed on my feet
It's real in the field when them bars set of cleats
(?) in the air nigga (?) yeah the crib like Disneyland
Eight shots since I started, guess I've been a busy man[Pre-Hook]
I put them O's in the microwave but you ain't bout that there
Talk a whole brick of white (work) today but you ain't bout that there
Got a that Muller on my wrist today but you ain't bout that there
You made me fuck your bitch today cause you ain't bout that there[Hook: Jeezy]
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there[Verse 2: Lil Wayne]
Jumped off the porch at eleven, bitch I been bout it
I'm gang gang I been solid
Go Bin Laden on anybody
Talkin' all that shit and we gon' have to talk to you in private
What block you in we gon' spin around it
Leave dead bodies, fuck them zombies

You ain't bout that life not the combat life
Take the cops advice and don't stop at lights
Oh god I want it all
Night flight
On the wall like flies
And I ball like Mike
You on the side like Spike
God damn
Wearing a handkerchief
All bout this bangin' shit
We breakin' down cocaine and shit
You better not be explaining shit
She say she bout that freaky shit
She love me if I anchor shit
We moving slow and ducking quick
You ain't about that on gangster shit, goddamn[Pre-Hook]
I put them O's in the microwave but you ain't bout that there
Talk a whole brick of white (work) today but you ain't bout that there
Got a that Muller on my wrist today but you ain't bout that there
You made me fuck your bitch today cause you ain't bout that there[Hook: Jeezy]
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there[Verse 3]
Bitch I'm still winning, yeah it's like I got some trick tracks
That pussy so and so I don't hit that bitch twice
You heard about what's-her-name
Caught him and they opened up his top like a muglite
Posted in the spot look like a zebra with these damn stripes
Hopped out the Porsche like fuck the Source
I still ain't get them five mics
It drive a nigga nutty
She let a nigga nut
Yeah, I hear the shit they talking [?]
Nigga I can make a hustle and I can make it rapping
On the gram with a pic, now that's a mean caption
Now what you know about that 36
I can make it double, hoe
They hit you when you ballin'
They don't see you when you struggling tho[Pre-Hook]
I put them O's in the microwave but you ain't bout that there
Talk a whole brick of white (work) today but you ain't bout that there
Got a that Muller on my wrist today but you ain't bout that there

You made me fuck your bitch today cause you ain't bout that there[Hook: Jeezy]
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
He ain't bout that, he ain't bout that there
