

# Good To Be Alone

[Matt Corby](#)

In the back of my mind  
Everything seems fine  
You go your way, I go mine  
We just need to take our timeIt is good  
To be aloneI was lost in the dark  
We all had to play our part  
I was hunted by the one  
The one that froze my heartIt is good  
To be alone  
(x2)I keep telling myself  
It's gonna be better  
(x2)  
It's gonna be betterIt is good  
To be alone  
(x2)
