

Movin' On

Brandy

Yeah, oh yeah
So if the road don't fit me
Got to be moving on I be a typical kind of girl wasting my time
That ain't my style
See I'd rather be occupied always trying to keep my mind
Pointing to a higher place I can have anything I want
Anything I can dream of
I've been told from the day I was born, oh yeah
So I make sure everyday
That I don't let nothing hold me back
Got to be on track
I gotta move So if the road don't fit me
Got to be moving on
'Cause if it don't work for me
Guess I'll be moving on Hey I could take liberty but that would cause me a change
And that ain't my thang
'Cause I don't to stand with the crowd only true to myself
Don't have a follow to no one else, yeah oh Not trying to be alone
But if the picture doing wrong
Got no problem living alone, oh yeah oh
Don't feel no sympathy
At least not for me
'Cause I know just what I am going to do
I gotta move So if the road don't fit me
Got to be moving on
'Cause if it don't work for me
Guess I'll be moving on So if the road don't fit me
Got to be moving on
'Cause if it don't work for me
Guess I'll be moving on Keep moving, keep moving
Keep moving on and on
Keep moving, keep moving
Keep moving on and on So if the road don't fit me
Got to be moving on
'Cause if it don't work for me
Guess I'll be moving on On and on
On and on
