

No Ordinary Lover

China Crisis

Is this love that took your head to pieces
And could it be a special child to her Secretly your laughter awakens everyone
Watching over burning fields for a rising sun... may whisper through the window
I see a place in your sleeping sun Secretly your laughter awakens everyone
Watching over burning fields for a rising sun Is this love which showed her what you're feeling
Too talk-ative among people you don't know Secretly your laughter awakens everyone
Watching over burning fields for a rising sun
Is this...
