

# Come On! Let's Boogie to the Elf Dance!

## Sufjan Stevens

Uno, dos, tres, cuatro Tie up your boots  
Jump off the ladder  
Pack up your clothes  
Nothing's the matter  
Mistletoe hangs  
Up in the bedroom  
Your sister's bangs  
She cut them herself  
Santa is here  
Sleighbells are ringing  
Twenty-one elves  
They are all singing  
K-Mart is closed  
So is the bakery  
Everyone's at home  
Watching TV Santa Claus is coming  
Hear the banjo strumming  
Santa Claus is coming  
Hear the banjo strumming Chestnuts and fire  
Holly and hay  
Jesus and Mary  
What a great day  
Evergreen tree  
Covered in snow  
Tower of Babel  
Tower of glow  
There's Aunt Marie  
Hand on the fire  
They give us good gifts  
Like mittens and socks  
Hijack a snow plow  
Clear out the streets  
Tell all of the neighbors  
There's cookies to eat Off the floor and give a shout  
There's a lot to shout about  
Santa Claus is coming to town  
He's got the greatest gifts around  
Away in a manger  
No crib for a bed

The little Lord Jesus  
Laid down his sweet head  
The stars in the bright sky  
Looked down where he lay  
The little Lord Jesus  
Asleep on the hay  
The cattle are lowing  
The baby awakes  
But little Lord Jesus  
No crying he makes  
I love you, Lord Jesus  
Look down from the sky  
And stay by my cradle  
Until morning is nigh  
Be near me, Lord Jesus  
I ask you to stay  
Close by me forever  
And love me, I pray  
Bless all the dear children  
In your tender care  
And fit us for heaven  
To live with you there Santa Claus is coming  
Hear the banjo strumming  
Santa Claus is coming  
Hear the banjo strumming  
Santa Claus is coming  
Hear the banjo strumming  
Santa Claus is coming  
Hear the banjo strumming  
Off the floor and give a shout  
There's a lot to shout about  
Santa Claus is coming to town  
He's got the greatest gifts around
