

# Ain't That Lovin' You

[Eric Clapton](#)

Well, you don't know me, baby  
Like I know myself  
I just wanna love you, baby  
But you leave me on the shelfAin't that lovin' you, baby?  
Ain't that lovin' you, baby?  
Ain't that lovin' you, baby?  
But you don't even know my nameLet me tell you something  
I swear to God it's true  
If you give your love to me  
I'm gonna give it all to you  
You know it's trueAin't that lovin' you, baby?  
Ain't that lovin' you, baby?  
Ain't that lovin' you, baby?  
But you don't even know my name  
Lets goNow they may kill me, baby  
And bury me like they do  
My body will lie, but my spirit's gonna find  
Only youAin't that lovin' you, baby?  
Ain't that lovin' you, baby?  
Ain't that lovin' you, baby?  
But you don't even know my name  
Lets go
