

# Blurry

## Roska

Every thing's so blurry  
And everyone's so fake  
And everybody's empty  
And everything is so messed up  
Preoccupied without you  
I cannot live at all  
My whole world surrounds you  
I stumble then I crawlYou could be my someone  
You could be my scene  
You know that I'll protect you  
From all of the obscene  
I wonder what your doing?  
Imagine where you are?  
There's oceans in between us  
But that's not very farCan you take it all away  
Can you take it all away  
Well you shoved it in my face  
This pain you gave to me  
Can you take it all away  
Can you take it all away  
Well you shoved it my faceEveryone is changing  
There's no one left that's real  
To make up your own ending  
And let me know just how you feel  
'Cause I am lost without you  
I cannot live at all  
My whole world surrounds you  
I stumble then I crawlAnd you could be my someone  
You could be my scene  
You know that I will save you  
From all of the unclean  
I wonder what your doing?  
I wonder where you are?  
There's oceans in between us  
But that's not very farCan you take it all away  
Can you take it all away  
Well you shoved it in my face  
This pain you gave to me  
Can you take it all away

Can you take it all away  
Well you shoved it my face  
This pain you gave to me  
Nobody told me what you thought  
Nobody told me what to say  
Everyone showed you where to turn  
Told you when to runaway  
Nobody told you where to hide  
Nobody told you what to say  
Everyone showed you where to turn  
Showed you when to runaway  
Can you take it all away  
Can you take it all away  
Well you shoved it in my face  
This pain you gave to me  
Can you take it all away  
Can you take it all away  
Well you shoved it my face  
This pain you gave to me  
No this pain you gave to me  
This pain you gave to me  
You take it all  
You take it all away  
Explain again to me  
You take it all away  
Explain again to me  
Take it all away  
Explain again  
Explain again  
Explain again
