

# Critical Madness (Rehearsal 88)

## Autopsy

Mind snapped thoughts of death  
Demented voices in his head  
Chainsaw victim covered in blood  
Severed body left for deadBloody killing spree  
Brain fried eternally  
Psychotic mission of death  
Critical madness  
Self inflicted pain  
Slicing his face to shreds  
Brutal blow to the face  
Sentenced to death  
By a swing of a mace  
Blown out brains with a grenade  
Hallucinating brain decayedViolent breakdown  
Truth of dare  
Cut your flesh to the bone  
No hope for a normal lifeInsane asylum is your home
