Dumb

Jazmine Sullivan

YoYou ain't right
You ain't rightYo, I know you know you ain't right
Please stop, I know where you was last night
And if you gon' lie, then at least be good
I heard you was in your old hoodI thought we were past these days
No more games, I believe
So now what I hate the most, is you think you're so smart
You think you're foolin' meOh, you must be
Dumb, dumb, dumb
I ain't
Dumb, dumb
Oh baby, you so
Dumb, dumb, dumb
I ain't
Dumb, dumb
No, no, noDon't I deserve it all?
You know I take care of you
Whatever you need I'll do
Ungrateful, look how you repay me
Unfaithful, look how you repay
With my heart (Oh...)
You have no regard
I swear
If you keep on doin' me wrong
You'll look up and I'll be goneI thought we were past these days
No more games, I believe
So now what I hate the most, is you think you're so smart
You think you're foolin' meOh, you must be
Dumb, dumb, dumb
I ain't
Dumb, dumb
Oh baby, you so
Dumb, dumb, dumb
I ain't
Dumb, dumb
No, no, noI say
You know I know I ain't right
But I know you know I ain't wife
No other chick but you shawty

I ain't trippin' off you shawty
Heard I'm in my old hood
But I ain't trip when you party
Love hurts and I feel your pain
Through all the fame, I still remained
The same nigga, I did
Then I came home and I still explained
All this shit you heard about
You gon' let these hoes come steal your lane
Or you gon let it just die on me
Hold it down and come ride for meWhoa!Now if my tears don't mean nothing
Don't insult me with lies
And if you won't never change
Please stop wasting my time
Cause if you wanna go out and be single
Go 'head, I told you I won't beg
'Cause I know you gon' miss me
So if you leave, babyYou must be
Dumb, dumb, dumb
I ain't
Dumb, dumb
Oh baby, you so
Dumb, dumb, dumb
I ain't
Dumb, dumb
No, no, noOh, you must be
Dumb, dumb, dumb
I ain't
Dumb, dumb
Oh baby, you so
Dumb, dumb, dumb
I ain't
Dumb, dumb
No, no, no
